OCTOBER REPORT

A lot happened in October, we finished number 13, Good News MBC, they had their dedication and we moved on to the construction of # 14, Berean MBC, Ozamiz City.

The offerings for the month was very good; for the building projects we received **\$5,937.83**. As previously reported, we have the necessary funds for # 14 and are now collecting for #15. So far we have \$18,760.97 toward this project, leaving a balance needed of \$31,240.03, our plans are to begin this build somewhere around May of 2021.

The good offerings for salary and love offerings could not have come at a better time. We had some unexpected personal expenses, Novis is having some long overdue dental work done, as you know this is very expensive; our thanks to all of you for your love and concern for us.

The work at Berean MBC is moving on quite rapidly, they are pouring the footings, forming and pouring the 17 columns that hold up the second floor and the tie beams.

We know the buildings are beautiful and we are thankful for them; but as I have often stated the building is only a tool. It is what the churches do with this tool that is important. I contacted all of the pastors of the 13 completed projects and request some statistics for the past church year. They collectively reported 557 professions of faith, 281 baptisms, 20 missions and missionaries sent out by the individual churches, organized 2 churches, and support 4 seminaries with two of them meeting in buildings PMD assisted in constructing. Praise God, this is what it is all about.

As I write this, we have just returned home from attending the Ark. And TX State meetings, I will report on this in next month's report. I will say, I enjoyed seeing and fellowshiping with all the people, it was good to be out and among our brethren once again.

Again, thank you for your love and support of Philippine Missions and for this Missionary; Novis and I love and appreciate each and every one of you. Our prayer is God will continue to bless each of you in a mighty way.
